Dear Parents / Guardians,

School Magazines 2015

The school has once again published the school magazine this year. The magazine is a record of most school activities, events and achievements that have occurred in 2015, and serves as a good memory of the school.

If you wish to place orders for your child / ward, please fill in the order form below. The cost of each magazine is $14. Order forms and payment should be returned to your child’s / ward’s form teacher by 1st October 2015.

For pupils who need financial assistance, please feel free to see their Form Teacher. The school will bear the cost of the school magazine for them.

The magazines will be distributed to your child / ward by early November 2015. We look forward to your strong support.
